

## VL20

Low energy LED surface mount RGB light, extruded aluminium construction with encapsulated lens.

Colour  
Natural anodised

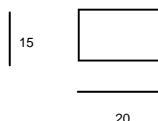

Lamp colours  
RGB

### Features

- Led surface mount IP54 encapsulated
- Low power consumption 10.8w per metre (max)
- Modular plug and play construction
- IP54 mini inline connector
- 24V DC

| Part number     | Description   | Dimensions (LxWxH) |
|-----------------|---|--------------------|
| PSCV-40/24-DIN  | Constant voltage led driver 24v DC, 60w max - DIN rail mount  | 40 x 90 x 100      |
| PSCV-70/24-DIN  | Constant voltage led driver 24v DC, 70w max - DIN rail mount  | 56 x 126 x 100     |
| PSCV-120/24-DIN | Constant voltage led driver 24v DC, 120w max - DIN rail mount | 66 x 126 x 100     |
| PSCV-240/24-DIN | Constant voltage led driver 24v DC, 250w max- DIN rail mount  | 126 x 126 x 100    |
